Grant Application Guidelines

- **Due to COVID-19 requests for in-home exercise equipment will be temporarily considered.**
- **Applicants requesting support for an activity (rather than exercise equipment) must complete and sign the COVID liability waiver on page 8.**
- **Due to limited available funding, the CFLF is not able to approve all Recreation Grant requests.**
- Recreation Grant requests may not exceed \$500 USD (equivalent Canadian amount is subject to variation based on exchange rates at the time of award approval).
- The CFLF will only consider COMPLETE applications, this includes answering ALL questions AND including a photo. If ANY information is missing, a denial will be made.
- Please check with the establishment where the applicant's activity will be taking place to make sure they will accept VISA/MASTERCARD from the CFLF as payment for their services.
- The **annual financial information** for the household (including ALL members in the household) that we ask for helps us to evaluate financial need. Leaving this field blank will have a negative impact on the review of your application.
- **Applications MUST be completed by the person with CF. If a child is unable to write the parent or guardian may transcribe for them, but the words must come from the applicant.**
- **Applications are reviewed on a rolling basis and may be submitted at any time. It is asked that requests that are date specific allow at least four-weeks prior to the start of the activity for processing time.**
- The CFLF will pay directly for activities to the company or organization providing the activity. Funds, including reimbursement for past activities, will NOT be paid to the grant recipient.
- If an applicant is denied, they may reapply for the same, or different activity, with a new application as soon as they would like.
- Only one Recreation Grant can be awarded per recipient per year.
- We ask that applicants agree to provide feedback during the period of their grant at intake, 12, and 24 months. The "CF Questionnaire" (CFQ-R) is a four-page assessment tool that has been thoroughly studied for reliability and validity. We have received permission to use this tool to assess any effects on the physical, psychological and social quality of life for the grant recipients. **Information is used for internal purposes only to demonstrate program impact, and will be kept confidential.**

****If you, or your child, intend to use your Recreation Grant for an activity outside your home you will need to read and sign this waiver****

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is reported to be extremely contagious. The state of medical knowledge is evolving, but the virus is believed to spread from person-to-person contact and/or by contact with contaminated surfaces and objects, and even possibly in the air.
